Change allowable content for: 'REF\_AREA'

Enumerated

Choose between coded (enumerated) or un-coded (described).

Agency	Id	Name	Version
BIS	CL_BIS_GL_REF_AREA	Reference Area Code for BIS General Economics and Block L	1.0
BIS	CL_BIS_SUFFIX	Suffix	1.0
BIS	CL_BIS_TOPIC	BIS Topic code list	1.0
BIS	CL_BIS_UNIT	BIS_Unit	1.0
BIS	CL_COLLECTION	Collection	1.0
BIS	CL_CONF_STATUS	Observation confidentiality code list	1.0
BIS	CL_DECIMALS	Decimals codelist (BIS, ECB)	1.0
BIS	CL_FREQ	Code list for Frequency (FREQ)	1.0

For coded components, pick the codelist to use from those available in the registry.

Showing 2 to 10 of 122 entries 1 row selected

Search:

A coded representation may be limited further by specifying a further restriction:

Data Format: String (UTF-8)

Min Length:

Max Length:

RegEx Pattern:

For coded representation, SDMX also allows further restriction rules to be applied (e.g. only codes that start with a specific string).
